7+ Years experience

300+ Projects done

40+ Templates designed

Muhammad Taimur Nasir

Senior UI/UX Designer - Web, Mobile & Product Design

Senior UI/UX Designer with 7+ years creating high-performing web and mobile experiences. Strong in research-backed wireframing, design systems, conversion-focused landing pages, dashboards, branding, and developer-ready handoff.

SELECTED CASE STUDIES

OSHA Outreach Courses - Ecommerce course website focused on course discovery, trust, and checkout clarity.

Pikamoon - Web3 landing page with bold storytelling, tokenomics, and conversion-led CTAs.

McDonald's Work Shift - SaaS dashboard for shift scheduling, roster views, and reporting workflows.

DAVGO - Mobile app UI covering onboarding, navigation, and core booking-style flows.

IoBM University App - Campus app UI for schedules, announcements, events, and student services.

Kerala Karaoke - WordPress / Elementor website designed, built, and launched for a client.

EXPERIENCE

Senior UI/UX Designer

2022 - Present

CO/LAB - Los Angeles, Remote

- Designed responsive web and mobile interfaces for international client projects.
- Built scalable UI systems, reusable components, polished visual layouts, and dev-ready handoff.

UI/UX Designer

2021 - 2022

Torrantal Asia

- Created web interfaces and dashboards in Figma and Adobe XD.
- Improved design consistency and engagement across client-facing projects.

UI/UX Designer

2020 - 2021

Novus Altair

- Designed UI concepts, wireframes, and visual systems for web applications.
- Supported research, iteration, and visual improvements across product workflows.

Front-End & UI/UX Internships

2019 - 2020

Pak Oxygen / Template Silk

- Built responsive HTML/CSS layouts and reusable web templates.
- Launched Bakstil clothing brand: identity, storefront design, templates, and ads.

DESIGN FOCUS

Mobile-first UX	Conversion UI	Design Systems
SaaS Dashboards	Brand-led Web	Accessible Handoff
